Dear Member,

On behalf of the World Heart Federation Board, I take great pleasure in informing you that your application to become an Associate Member of the World Heart Federation has been approved.

We are delighted to welcome you to our powerful global community of organizations dedicated to the treatment, prevention and control of cardiovascular disease. Together, we are acting now to fight against premature mortality caused by heart disease and stroke, and to build global commitment to address cardiovascular health at the policy level.

As a World Heart Federation member, you have the chance to add your voice to our ever-stronger network and we look forward to connecting with you, particularly at events like our World Congress of Cardiology and Cardiovascular Health, which takes place in December in Dubai. Please also remember that we are here to support and promote your work, and to share your achievements with our membership and the wider public health world.

Thank you again for your commitment to the World Heart Federation and please find enclosed an invoice for your organization's 2018 membership fee.

If you have any questions regarding your membership simply get in touch, we will be pleased to help.

With best regards,

The Memberships Team
